Welcome to the audio tour of the Finnish Museum of Natural History! This audio tour will take you to The Story of Bones, Wildlife of the World, The History of Life, and The Finnish Nature exhibits.

You can listen to all three audio tours or choose those which interest you most. The audio tour spots are marked on the map. At each spot you will find the headphones-symbol and its corresponding number code, and you will hear its commentary by typing this in.

Selecting the number
Type in a number or use the arrows on the face of the device to select the desired track.

Selecting the language
Press and then use the keys on either side of the device to scroll through the list of possible languages. Once your desired language is highlighted, release the key and wait a few seconds.

On
Volume
Pause/Play
Rewind
Off
Selecting the number
Type in a number or use the arrows on the face of the device to select the desired track.

Selecting the language
Press and then use the keys on either side of the device to scroll through the list of possible languages. Once your desired language is highlighted, realise the key and wait a few seconds.
